Purchased goods are not returnable

Stamp

The Orderer has been informed that they must arrange for the unloading of the delivered products on their own. The Orderer also declares that they are familiar with and accept the general terms of sale (GTS), the conditions of warranty, transport and storage, and the content and guidelines of the installation instructions. Claims for transport damage not reported to the driver when unloading and not confirmed by them will not be considered (concerns gutters and drain pipes). Damage to items sent by freight forwarding must be reported to the following email address: logistyka@bp2.pl.
